

As an Indiana Citizen, I want to speak out against proceeding 02-278. I am very satisfied with our State's "DO NOT CALL LAW" and know that the effectiveness of this law will be diminished with preemption from the federal law. Other citizens of Indiana, as well as myself, do not want our law preempted. The only reason the banks want to preempt this law is so that they can continue to sell our personal information and make profit from it.
